1. Every Rumanian over 14 years of age must carry an identity card called Buletin de Identitate. This is the only document required to be presented at the time of a check. 25X1
2. In frontier zones circulation and length of stay are regulated. On page four of the Buletin de Identitate of persons residing in these zones the local Militia affixes a special stamp, a small round, oval or square one. Rumanians residing outside the frontier zones but who desire to go there for a short stay must obtain a permit beforehand which is signed at the command post of the Frontier Guard in Bucharest. It is then returned to the requestor by the local Militia that originally received the request. Delays in obtaining these permits may reach two years.
3. Each person who goes into another district than his own for a stay of more than four hours must present himself to the local Militia. If he goes to a hotel the manager takes care of the necessary formalities.
4. In each apartment dwelling a concierge or, in the event there is no concierge, another person especially designated is responsible for the maintenance of a notebook in which the names of persons living there permanently are listed. Individuals who pass through or are on a visit are not listed in this register. They must present themselves to the Militia who makes a note of the name and document number. Persons changing their residence must inform the respective Militia post.
5. The frontier zones have a width of seven kilometers with the exception of zones facing Yugoslavia and those facing the sea coast through which flight is easier. They have a width of 25 kilometers.
